Establishment under the Madras Representative, Mysore - South Kanara Boundary Settlement.

In G.O.Misc., No.2723, Revenue, dated the 7th December 1921, only two peons have been sanctioned for the Special Deputy Collector. I had proposed the employment of four peons, the number employed last season, and the Board had supported my proposal in its Reference B.2639/21-2, dated the -

four peons absolutely necessary and I request that sanction may be obtained for the employment of four peons. I am authorising the Special Deputy Collector who has already entered on his special duty to employ four peons in anticipation of sanction.

The G.O.referred to does not make mention of the grant of a special allowance to the Madras Representative similar to the one sanctioned for the Survey of India Officer. I request that Government may be moved to sanction the grant of a special allowance of 1/5 of his salary to the Madras Representative for the whole period of his deputation for the purpose including the last season. Attention is in this connection invited to para 3 of B.P.No. Misc. 1072, dated the 20th May 1921. p 2 of G.O. 205 1/2/22 (H)

Orders are solicited whether the increased rates of travelling allowance now sanctioned for the establishment of the Madras Representative may be paid to the staff employed last season on whose behalf the recommendation was made by me in my letter 746-20, dated the 20th January 1921. p 746-115 of 20 G.O. 2723 - (M) 7/12/21

3. The Board considers that the staff employed under the British representative last season should also be allowed the increased rates of travelling allowance sanctioned in G. O. No. Misc., 2723 Revenue, dated the 7th December 1921.

(M) G.O. No. 2723 Rev dated 7-12-24 where it was considered that 2 peons on Rs 15 each pm would be sufficient for the Special Deputy Collector employed in connection with the Mysore – South Kanara boundary settlement. The Board of Rev. now proposes 4 peons on Rs 12 each instead of 2 peons on Rs 15 each pm already sanctioned. It is stated that 4 peons are absolutely necessary and that the Collector of South Kanara has authorised the Special Deputy Collector to employ that number in anticipation of sanction. In the circumstances this dept may perhaps agree to the Board's proposal
